DETAILED ACTION

This office action is in response to an after-final amendment filed 8/17/06. The amendment has been entered. Claims 1-26 are pending in the application. Claim 7 has been found allowable and therefore has been rejoined with claim 8 as it is commensurate in scope with the allowed product claim.

This application contains claims drawn to an invention nonelected with traverse in the amendment filed 10/13/05. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Response to Amendment

Any rejection of record in the previous action not addressed in this office action is withdrawn. There are new grounds of rejection herein that were not necessitated by applicants' amendment and therefore, this action is not final.

The Declaration under 37 CFR 1.132 filed 6/30/06 is sufficient to overcome the rejection of claim 7 based upon 35 USC 101 and 35 USC 112, first paragraph.

Claim Objections

Claim 8 is objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot refer to two separate claims. See MPEP § 608.01(n). Accordingly, the claim has not been further treated on the merits.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
